TRANSFORM AND PERFORM

Compliance Course

**WORKPLACE HEALTH & SAFETY REPS - ACCREDITED**

 2 Days

 On/Off Site

## About the Course:

The Occupational Health and Safety Act of 1993 requires the appointment of health and safety representatives when the number of employees exceeds 20. The employer is required to provide health and safety training in order for them to perform their duties. This course will teach learners about the duties and responsibilities of employers and their employees and what it requires of them and also knowing what their duties and responsibilities are and how they should carry them out.

## Upon completion of this course, participants are better prepared to:

- Know the Occupational Health and Safety Act
- Understand the duties of Employers and Employees
- Understand the duties of SHE Reps
- Know the Occupational Health and Safety Regulations
- Understand the requirements to become a SHE Rep
- Understand the role of Health and Safety Committees

## Certification:

- Workplace Health and Safety Reps certificate approved by SETA.  
(Subject to completion of an assessment)
- Valid for 3 (Three) years.

Aligned to Unit Standard 259622 at NQF L3
